

## Compass – A Guide to Fatherhood

Please join us on Thursday June 17<sup>th</sup>, for the fifth session of the THE LEADERSHIP FORUM’S luncheon series. The conversation will focus on the eighth chapter of Jim Stenson’s book, “Compass”: “Issues of the Heart and Mind.”

*Great parents, it seems, hold this truth ever before them: each child has only one mind and one conscience, and therefore needs one direction, and only one, coming from each of the parents. Children raised in a united family learn from infancy that each parent is “the boss.” What’s more, if asked about it, they’d say (and even complain), “Mom and Dad always stick up for each other..”*

THE LEADERSHIP FORUM was established ten years ago by a group of downtown Boston professionals as a way to encourage men to live unity of life, integrating their faith into their professional, family and social lives.

THE LEADERSHIP FORUM takes its inspiration from the

documents of the Second Vatican Council and from the writings of Popes Benedict XVI and John Paul II and of St. Josemaria Escriva, the Founder of Opus Dei. To learn more, please visit our website:
